Remarks: Re the DCI's 23 February 1974 directive, I believe this has been declassified to the extent that it may have been mentioned in the Rockefeller Commission Report. You will want to check that. Re the other papers, i.e., the memo of 15 February 1973 and attachment and the remainder of your material, recommend against declassification. In any event, defer to DDO who, I understand, is taking a similar position.
